

MediaGear USB Type C Travel Dock

1.0 PRODUCT DESCRIPTION

MediaGear is proud to support your travel needs. Our Travel Dock supports all the necessary ports that you may need on the road. We have a pass through Type C port to connect all of your other Type C products, an SD card reader to view all of those special photos that you took during the day, 2 USB ports for an external keyboard/mouse or storage device, and an HDMI port to connect an external monitor at 4K/30hz resolution.
